

LD 2165/GRAPHITE

MARKER LIGHT

LD 2165/GRAPHITE is a marker light on a flexible hanger, compact in size and with a wide range of applications. The symmetrical design provides **universal mounting options** (both on the right and left side of a vehicle). The light will work well in various types of vehicles such as: - trailers and car transporters; - camper vans and caravans; - minibuses and vans; - agricultural and construction machinery; - trucks; - special vehicles. The light from the **GRAPHITE** collection features a sleek, dark shade, combining modern design with functionality for excellent visibility. **LD 2165/GRAPHITE features:** - front position light (white light); - rear position light (red light); With a universal voltage of **12/24 V**, this light is characterised by low power consumption (**12 V - 1 W, 24 V - 2 W**). The light has been manufactured only with **branded LEDs**, which ensure a unique quality of illumination and add a visual appeal to the contour of a vehicle in motion. The high **IP 68** rating and the operating temperature range of **- 30 degrees C to + 50 degrees C** make it a top quality product. ***Make sure you stay safe on the road!
