

## LD 230/GRAPHITE

### MARKER LIGHT

**LD 230/GRAPHITE** is an **oval corner marker light** designed to be mounted **on the roof of a cab**. It will work well in various types of vehicles such as the following: - minibuses - vans; - sleeping cabins and spoilers; - agricultural and construction machinery; - trucks; - special vehicles. The light from the **GRAPHITE** collection features a sleek, dark shade, combining modern design with functionality for excellent visibility. **The LD 230/GRAPHITE front position light** features **universal 12/24 V** voltage, low power consumption (**12 V-0.2 W, 24 V-0.5 W**), high **IP 68** rating and an operating temperature range **from -30°C to +50°C**. The lamp emits clear **white light**, accentuating its shape. The symmetrical design allows installation on both the right and left side of a vehicle. The sophisticated design and high-quality materials used in its manufacture make it a premium product. ***Make sure you stay safe on the road! Discover our collection of [GRAPHITE lights](#), a stylish solution for the automotive industry.***
