

LD 2189/GRAPHITE

INSERT FOR STALK MARKER LIGHT

LD 2189/GRAPHITE is an insert for the arm of a stalk marker light from the **HOR 77AG** group. The product is universal in terms of mounting options. It can be fitted on either the left or the right side of a vehicle. Designed for use from small trailers to trucks and semi-trailers. The lights from the **GRAPHITE** collection feature a sleek, dark shade, combining modern design with functionality for excellent visibility. **LD 2189/GRAPHITE features:** – front position light (white light); – stalk marker light (orange light); – rear position light (red light); Operating at a universal voltage of **12/24 V**, the light is characterised by low energy consumption. The **insert with a reflecting device** has been manufactured only with **branded LEDs**, which ensure unique quality of illumination and add a visual appeal to the contour of a vehicle in motion. The high **IP 68** rating and the operating temperature range of **- 30 degrees C to + 50 degrees C** make it a top quality product. ***Make sure you stay safe on the road! Discover the GRAPHITE collection of lights, a stylish solution for the automotive industry.***
